

Village of Duchess

July 2010

The Village of Duchess has applied for a Disaster Recovery Program for the June 17th storm, through the Government of Alberta. We have compiled a list of properties that have notified us, and we will contact everyone when we have further information. If you have not already called, please let us know if you had flooding. Recovery funding is not guaranteed, but residents are encouraged to document and photograph all details regarding damage caused by flooding or water seepage.

A Municipal Election will be held on October 18th, this year. We are hoping to have nomination packages ready mid August for a September 20th nomination day. If you have any questions about running for a municipal office, please drop by the office and we will be more than happy to answer them.

The Duchess and District Public Library Board are hosting a Family Fun Night on July 9th from 7pm to 11pm. This event will start with a bbq, face painting, frisbee contest, potato sack races and a tug a war competition in Princess Park. Following these activities everyone will move to Anniversary Park for the Movie Event

“Madagascar: Escape to Africa”.

Please bring your blanket or lawn chair and your bug spray.

Everyone should have received a tax notice in their mailbox. Taxes are due by August 23rd, and penalties will be applied on the 24th. If you have an assessment complaint, please follow the instructions on the form provided with your notice, and bring them into the Village Office.

If you have questions, please contact the Assessor directly, Carol Megaw @ 403-381-0535 Benchmark Assessments Consultants Inc. or the Village Office 403-378-4452.

The Patricia Firemen were thrilled to receive their new fire truck last week. This replaces an ancient truck that these firemen used for many, many years. With cooperation from the Village of Duches, County of Newell, EID, The Firemen's Association and a CIP grant this truck is now a reality. Congratulations! Patricia Firemen

We thank everyone who has kept their yards and boulevards so neat and tidy this summer.
