

Village of Duchess May

2017

The Public Works staff will once again be offering an alley cleanup for the week of May 23rd through May 30th. This year's Cleanup will have a few limitations and we ask that if you have more than 2 or 3 items...to please give us a call to talk about removing your items. We are unable to take fridges, freezers or water coolers, so do not put these items out...We also have to pick up items by categories, so we may not be able to take your items all at once....but we will come back for the rest.

Any questions, give us a call at 378-4452

The Duchesess & District Public Library is displaying the art work of a local artist. Linda Larochelle-Wilson lives 3 km south of Duchesess and is the owner of Mustang Ranch Artist Retreat. Linda has also left her brief portfolio for people to look through at the Library. Please come in to the Library to see her works of art which are inspiring and amazing. Our storytime has winded down and will start up again in October/November. We had a draw for Easter for the 3 - 7 year olds with Madison S receiving a pink balloon bunny and Theo R receiving the blue balloon bunny. The bunnies were filled with goodies with thanks to Lynda Langille, a very talented lady. On May 17, 2017 the Library will have Tracey Kuffner here doing felt birch trees. This is a fundraiser for the Library and we require a minimum of 10 people. The cost is \$45.00 per adult and starts at 6:30 pm and will end at 9:30 pm. Please either come into the Library or give us a call at 403-378-4369.
